

Child with Special Health Care Needs Careplan
Mickey Mouse
3/23/2009

Emergency Care Plan: In the event of a seizure Mickey should be observed; seizures should be timed, call mother at cell phone of 999-999-9999. If she has blueness or cyanosis of the lips, or if the seizure persists beyond 5 minutes call 911. Seizures for Mickey have consisted of brief limp spells with loss of consciousness lasting a few seconds to at most a few minutes.
