

CentraCare Health Foundation

2006

Annual Report

CentraCare Health Foundation engages the philanthropic community in partnership to improve health and health care.

Improving Care, Impacting Lives

As the CentraCare Health Foundation moves into its second decade, we are reminded of the many people who have played a vital role in our success.

This past year alone 4,600 benefactors invested more than \$6.8 million in our vision of becoming one of Minnesota's premiere health care foundations, advancing unsurpassed quality care and innovative community health solutions.

Your gift, no matter how large or small, makes a difference. We cannot say "thank you" enough for supporting our mission of improving care and impacting lives.

Mark Larkin
Executive Director
CentraCare Health Foundation

Walter N. Ellis, D.P.M. (Foundation Board Chair)

“We have come to a time in our lives when we do not get as much satisfaction in buying material things as we do giving to charitable causes,” said Dorothy Gorecki.

Generous gift enhances senior care in Central Minnesota

Benedict and Dorothy Gorecki of Milaca gave \$3.5 million for a new wing at St. Benedict’s Senior Community. Construction will begin in spring 2007 to add 40 private rooms, as well as amenity and support spaces to the care center.

“We have the money to give and share and we want to see the results of our donations while we are living,” said Dorothy Gorecki.

The addition will provide a homelike setting for residents by offering larger private rooms, private bathrooms with showers and a neighborhood design. The Benedict and Dorothy Gorecki Care Center also will have a new entry, elevator and parking.

“The money that is raised here, stays here,” said Karin Klicker, a St. Cloud realtor. “We have the best medical facilities in Central Minnesota.”

Karin donates all of the proceeds of her Quest for Breasts event to the Breast Cancer Fund at CentraCare Health Foundation. Karin also donates half of her ad space on the radio and in print to promote breast cancer fundraisers such as Catwalkin’ for a Cure and Quest for Breasts.

**Special events
support foundation efforts**

Special events raise money for cancer

When Juli Sanner invited Karin Klicker to the Catwalkin’ for a Cure fundraiser in 2005 to help represent breast cancer survivors, Karin was happy to oblige.

“You can’t say no to Juli,” joked Karin, who was diagnosed with breast cancer two years ago. As the case coordinator for St. Cloud Hospital’s Breast Center, Juli Sanner, R.N., provides many valuable services to patients and their families to help make the experience less overwhelming.

“Juli was there when I woke up from surgery and she has been there for me ever since,” said Karin.

This year, Juli asked Karin to be a model for Catwalkin’ for a Cure, a fashion show fundraiser to support and honor breast cancer survivors and their families. The proceeds benefit the Breast Cancer Fund and Aunt Leona’s Fund of CentraCare Health Foundation.

After her diagnosis, Karin quickly became an advocate for breast cancer — encouraging annual mammograms and raising money to improve patient care. Less than 90 days after being diagnosed with breast cancer, Karin organized and rode in the first Quest for Breasts motorcycle fundraiser, which benefits CentraCare Health Foundation.

Named component funds

The following endowment funds have been created by individuals to carry on their family name or to honor someone special to them. The principal of these gifts is invested and the interest is used to support the area designated by the benefactor.

Aunt Leona	William J. Held	Dr. Paul & Nancy Moran

Last year, St. Cloud Hospital Breast Center's mobile mammography vehicle provided more than 4,400 screening mammograms to women at more than 20 sites in Central Minnesota. The program began in 1985 after seeing the need for access and convenience to mammography screening in and around the St. Cloud area. The screening program strives to reach patients who are medically underserved, elderly and rural women, who would not get annual screening without the mobile outreach service.

**Morgan Family Foundation,
Mobile Mammography extends
rural outreach**

Family foundation enhances services of breast center

CentraCare Health Foundation received a \$295,000 gift from the Morgan Family Foundation, a private family foundation based in Yellow Springs, Ohio, to replace the St. Cloud Hospital Breast Center's mobile mammography unit.

The van replacement will allow the Breast Center to continue to provide lifesaving early detection, diagnosis, education and treatment for women in rural areas who have limited access to these screenings, including low income, underinsured and the elderly.

"This service helps deliver early screening and detection, which can provide peace of mind for some and life-saving intervention for other women in Central Minnesota," said Jody Bolton-Smith, M.D.

Caduceus Society

The Caduceus Society is a philanthropic guild of CentraCare Health Foundation. It is open to practicing and retired Medical Staff who make a commitment of \$10,000 or more to support the Foundation's mission of improving health and health care.

“There are many ways to provide financial support for your favorite charity,” said Mike Sipe, who is a life wealth planner for AIS Planning. One example is giving a charitable gift annuity. This not only benefits the Foundation, but also could provide you a tax benefit and an income stream for life.

**Mike Sipe,
Planned giving helps the Foundation**

Behavioral health is close to father's heart

Twenty-five years ago, Mike and Patty Sipe of St. Cloud navigated sparse mental health services to find help for their daughter, who struggled with severe depression. She ended up spending three years at a center in Faribault.

“Unfortunately, Clara’s House was not here,” said Mike. “If Clara’s House had been here, we could have done it all in St. Cloud.”

Thanks to Clara’s House, which opened in 2004, children and adolescents of Central Minnesota can receive care for behavioral health and chemical dependency issues in an atmosphere that is warm, healing and supportive of their efforts to regain and maintain health.

Clara’s House is unique because it is the first St. Cloud Hospital facility completely paid for by community donations — including a \$1 million gift from Mae Ellingson-Skalicky, who named the facility after her mother.

“Patty and I decided that behavioral health was the issue we would like to support the most,” said Mike. “We would like to do that during our lifetime, but we’ve also made a provision in our wills to have a percentage go to support behavioral health through the CentraCare Health Foundation.

Almeda Pollish's daughters are proud of their mother's decision to leave a legacy with a gift to CentraCare Health Foundation in thanks for the care she received at Coborn Cancer Center.

Pictured: Karen Ahles, Janet Pollish Forsberg and Marcia Pera. Almeda's daughter Terrilyn Schultz Ulmer was unable to be present for the photo.

Grateful patient supports cancer care

Treatments at Coborn Cancer Center were a big part of Almeda Pollish's last years of life. After being cancer-free for more than 28 years, Almeda again was diagnosed with bladder cancer in December 2004. Wanting to be able to make a difference in the lives of others who experience cancer, Almeda made a gift to CentraCare Health Foundation. Almeda passed away Dec. 28, 2005, at the age of 81. Almeda's four daughters are proud to support their mother's decision of making a contribution to ensure other patients receive the same advanced, quality care as she received at Coborn Cancer Center.

"We're thankful to be able to share mother's story," said Karen Ahles, the oldest of Almeda's four daughters. "St. Cloud is fortunate to have such an exemplary medical facility with Coborn Cancer Center — the name CentraCare Health System truly exemplifies what it's all about — 'care.'"

**Grateful patient and families,
Coborn Cancer Center**
