

CENTRA CARE Health System
SECURITY CHARTER

CentraCare Health System is dedicated to providing a safe and secure environment for its patients, staff and visitors. We recognize the need to maintain the dignity and rights of individuals and to properly protect their information. CentraCare Health System maintains appropriate security measures in order to comply with federal and state information security regulations.

CentraCare Health System buildings, systems, and records are recognized as critical and are designed, implemented, and maintained to provide an appropriate level of security.

This charter applies to activities of the CentraCare Health System. Security policies and procedures apply to all employees, volunteers, medical staff, students, and business associates.

The charter applies to all entities of the CentraCare Health System, including but not limited to:

- CentraCare Clinic
- Long Prairie Memorial Hospital and Home
- Melrose Area Hospital & Pine Villa Nursing Home
- St. Benedict's Senior Community
- St. Cloud Hospital
- CentraCare Health Services - Laboratory
- CentraCare Health Services - Pharmacy
