

## MEMO

---

**TO:** CCLS Clients

**FROM:** CentraCare Laboratory Services

**DATE:** December 30, 2021

**SUBJECT:** Temporary Discontinuation of In-House testing

---

Effective January 3, 2022, CentraCare Laboratory Services will temporarily discontinue Special Chemistry testing due to staffing shortages. All testing will be referred to Mayo Medical Laboratories and will have slightly longer turnaround time. The length of this downtime is yet unknown.

These tests include:

All allergen testing:

- Total IgE
- Specific allergens, both single allergens and panels.

All Autoimmune testing:

- Individual assays and panels.

Additional testing:

- Lyme
- H. Pylori
- Serum Protein Electrophoresis

Please feel free to contact the Specimen Referral Center with any questions at 320-251-2700, ext. 57320, Dr. Brad Curtis at ext. 57306, or Dr. Joel Miron at ext. 57386.
