Advanced Trauma Life Support (ATLS)®

Statement of Need:
The ATLS® course is designed to reduce morbidity and mortality rates for trauma patients. Participants will become familiar with the initial assessment and management of the trauma patient.

Target Audience:
This course is designed for primary care physicians, surgeons, emergency medicine physicians, and physician extenders who care for trauma patients within their realm of practice.

CME Credits:
The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians. The American College of Surgeons designates this live activity for a maximum of 17 hours, AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American College of Emergency Physicians has approved ACEP Category 1 Credit for up to 17 hours. Student Refresheres receive 7.5 hours AMA PRA Category 1 credit.

Nursing: For the purposes of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit issued by organizations accredited by the ACCME.

Initial Certification/Refresher:
May 12 & 13, 2016

St. Cloud Hospital
Riverside Conference Center
St. Cloud, Minnesota

www.centracare.com
Course Objectives:

- Demonstration of concepts and principles of primary and secondary patient assessment.
- Establish management priorities in a trauma situation.
- Initiate primary and secondary resuscitation necessary within the first hour of emergency care for acute life-threatening emergencies.
- Demonstrate the skills necessary in initial assessment and management of patients with multiple injuries.
