

# CENTRACARE HEALTH OVERVIEW

CentraCare Health aspires to be the leader in Minnesota for quality, safety, service and value. The health system serves a population of 700,000 people in Central Minnesota.

**St. Cloud Hospital** is a Catholic, not-for-profit regional hospital with 489 licensed beds. As the largest health care facility in the region, St. Cloud Hospital offers a full spectrum of inpatient and outpatient services. From state-of-the-art care for heart disease and cancer to preventive health screenings, we have the technology and skilled professionals to meet the needs of the region.

**CentraCare Health – Long Prairie** is a not-for-profit, 25-bed critical access hospital, clinic, 70-bed long-term care facility and senior apartment building/assisted living facility.

**CentraCare Health – Melrose** is a not-for-profit, 25-bed critical access hospital, clinic, 75-bed long-term care facility and 61-unit senior apartment building/assisted living facility.

**CentraCare Health – Monticello** is a not-for-profit, 25-bed critical access hospital, clinic, cancer center and 89-bed long-term care facility.

**CentraCare Health – Paynesville** is a not-for-profit level-4 trauma/critical access hospital with five family medicine clinics, plus long-term care, assisted living and senior housing facilities.

**CentraCare Health – Sauk Centre** is a not-for-profit, 25-bed critical access hospital, clinic and 60-bed long-term care facility with an adjacent 30-unit independent living facility.

**CentraCare Clinic** consists of 360 physicians and 173 advanced practice providers who practice in 35 medical specialties and offer a variety of outreach services in 40 communities.

**St. Benedict's Senior Community** is a recognized leader in health care and housing for older adults in Central Minnesota.

**CentraCare Health Foundation** engages the philanthropic community in partnership to improve health and health care. CentraCare Health Foundation accepts charitable contributions for all CentraCare Health entities.

**Carris Health** was formed in January 2018 to deliver health care to West Central and Southwest Minnesota. Carris Health is a partnership between CentraCare Health, Rice Memorial Hospital in Willmar and APMC Health.
