Church Safety & Security - Ready, Set, Go!
An Increasing Need for Faith Communities

Tuesday, June 5, 2018
9:30 a.m. - 4:00 p.m.
Windfeldt Room, CentraCare Health Plaza
St. Cloud, MN 56303

Purpose

Faith Community Safety and Security is part of our church ministry. Having a plan for church safety & security provides the faith community members the freedom to focus on mission and ministry while they keep the environment safe and protected.

Target Audience

Faith Community Nurses, Clergy, Deacons, Church Staff in leadership roles of safety & security, Pastoral Ministers & Assistants, Youth Ministries, Chaplains, Police & Fire Department representatives who are faith community members and can help with Safety/Security, BeFriender’s, Stephen Ministers, members of faith communities

Contact Hour Information

This education offering has been designed to meet the Minnesota Board of Nursing continuing education requirements for 4.75 contact hours.

To earn contact hours, participant must attend all sessions and complete an evaluation form.

Objectives

- Identify how to evaluate risk and put processes in place that reduce risk to the congregation
- Develop skills to lead emergency response training and simulation
- Gain tools, resources and best practices to assist with church safety planning and implementation
- Define the core concepts of the Critical Incident Stress Debriefing model
- Identify the components of a group process to assist in managing the effects of traumatic stress
- Determine three strategies to build personal resiliency
