These are given freely to people taking treatment for cancer. Donations should be:

- New – never worn
- Clean – free of perfume, pet hair, odors and smoke. Wash your hands regularly while making them.
- Neutral colors are preferred.
- Soft yarn or fabric is best- cotton, acrylic, silk, fleece or a blend is best. Light weight for summer and warmer for winter months.
- Do not use wool or alpaca as they can irritate the scalp. Please use patterns without gaps or large holes. A tighter stitch is best so that it covers the scalp.
