Thank you for choosing Coborn Cancer Center. We are pleased to be a partner in your care. Through every patient encounter, we are dedicated to providing both excellent service and the highest quality care. We hope the following information is helpful as you prepare for your first visit with us:

Preparing for your visit:

- Please complete all forms sent to you prior to your appointment; you may use MyChart
- List of any medications, herbs and vitamin supplements you take
- Current insurance card(s) and photo ID
- X-ray films or CDs of scans related to your visit that were not completed by CentraCare Health
- We encourage you to have a family member or supportive friend accompany you if you'd like
- If it has been more than 6 months, please complete a dental examination and cleaning. If your dentist recommends major dental work, please first discuss it with your cancer center physician.

Appointments: To provide you adequate time with your care provider, a designated appointment time is scheduled for you. Please arrive on time for your scheduled appointment. If you arrive late, you may be asked to reschedule or wait to be seen. Please call **320-229-4900** to schedule office visits, lab work or nurse appointments. Our clinic hours are 8a.m.–5 p.m., Monday – Friday.

Prescription Refills: Please contact your pharmacy directly for refills and if needed, they will contact us.

Speaking to an Oncology Nurse: Our nurse triage line, **320-229-4989**, is staffed from 8a.m.–5 p.m., Monday – Friday. Calls left after 4 p.m. will be returned the next business day.

Internet Access: For your comfort and convenience, Wi-Fi is available in our lobby areas.

MyChart: Register for MyChart and you can complete forms required for your visit online. MyChart access enables you to communicate with your doctor electronically, request prescription renewals, manage your appointments, securely access your medical information such as test results, immunization records, medical history and more. To register for your free MyChart account, visit centracare.com.

Supportive Services: We have programming available to support your mind, body and spirit throughout your cancer journey. We are committed to offering you access to those resources that can effectively enhance your life throughout the cancer experience as well as referrals to community resources.

Our team of experts is here to provide you with a comforting environment. We encourage you to speak up if you have questions and suggestions. **It is a privilege to take care of you and be your healthcare partner. We look forward to meeting with you.**

Sincerely,
Your health care providers at Coborn Cancer Center
