Greetings,

You have an upcoming appointment scheduled at Coborn Cancer Center in the department of Radiation Oncology. The physicians in this area are specialists in the treatment of cancer who plan and prescribe radiation as the primary modality of treatment.

Through every patient encounter, we are dedicated to providing both excellent service and the highest quality care. As you prepare for your first visit, please consider the following:

- To provide you adequate time with your care provider, a designated appointment time is scheduled for you. Please arrive 15 minutes before your scheduled appointment to allow time for the nurse to review your medical history with you.
- Bring your current insurance card(s) and photo ID. You may want to contact your insurance company for authorization.
- Please complete the enclosed health history form and bring it to your visit or use MyChart
- Bring a list of questions you would like to ask your physician during your visit.
- Upon arrival, you will have your photo taken for identification purposes.

MyChart: Register for MyChart and you can complete forms required for your visit online. MyChart access enables you to communicate with your doctor electronically, request prescription renewals, manage your appointments, securely access your medical information such as test results, immunization records, medical history and more. To register for your free MyChart account, visit centracare.com.

Thank you for choosing Coborn Cancer Center. It is a privilege to take care of you and be your healthcare partner. We look forward to meeting with you. If you have any questions regarding the appointment, please contact Coborn Cancer Center Radiation scheduling staff at 320-229-4900.

Sincerely,

Your health care providers at Coborn Cancer Center
