

Thank you for choosing Coborn Cancer Center and allowing us to be a partner in your care. We strive to enhance health and quality of life before, during and **after** cancer treatment. Life following cancer treatment is a time to celebrate and a time to transition from diagnosis to wellness. As a cancer survivor, you may face physical, emotional, social, or financial challenges due to your diagnosis and treatment. Your **Cancer Survivorship Visit** is scheduled to provide you with vital information to help you successfully transition from active treatment to survivorship with a comprehensive follow-up care plan. We hope the following information is helpful as you prepare for your **Survivorship Visit** with us:

Cancer Survivorship Visits include discussion about:

- Your survivorship plan of care
- Follow-up care information based on your cancer stage, pathology and treatments received
- Looking out for and managing possible physical, emotional, sexual and social effects
- Getting referrals to physical therapy, occupational therapy, behavioral health or palliative care
- Education on concerning signs and symptoms and when to speak up
- Strategies to stay healthy
- Support services available

Appointments: To provide you adequate time with your care provider, a designated appointment time is scheduled for you. Please arrive on time for your visit. If you arrive late, you may be asked to reschedule or wait to be seen. Please call **320-229-4900** to schedule office visits, lab work or nurse appointments. Our clinic hours are 8 a.m.–5 p.m., Monday – Friday.

Prescription Refills: Please contact your pharmacy directly for refills and if needed, they will contact us.

Speaking to an Oncology Nurse: Our nurse triage line, **320-229-4989**, is staffed from 8 a.m.–5 p.m., Monday – Friday. Calls left after 4 p.m. will be returned the next business day.

MyChart: Register for MyChart at centracare.com and you can communicate with your doctor electronically, request prescription renewals, manage your appointments, securely access your medical information such as test results, immunization records, medical history and more.

Supportive Services: We have a team of professionals and programming available to support your mind, body and spirit throughout your cancer journey. We assist with referrals to community resources too.

Our team of experts is here to provide you with a comforting environment. We encourage you to speak up if you have questions and suggestions. **It is a privilege to be your healthcare partner and we look forward to meeting with you.**

Sincerely,
Your health care providers at Coborn Cancer Center
