

EMPLOYEE CAMPAIGN 2023

Partners in Caring

What is the Employee Campaign?

Each year, CentraCare Foundation asks CentraCare employees to make a contribution to help fund items and programs that enhance the care of our patients, residents and their families — beyond what is reimbursed by insurance. This support demonstrates to the community that our employees not only deliver superior care, but share of their treasure to improve the experience for those we serve.

What is 30/60/90?

Employees are asked to consider giving 30, 60 or 90 minutes of their pay per pay period or any amount they wish to contribute. The idea behind the 30/60/90 campaign is to give all employee donors equal recognition in the gift category regardless of the end dollar amount.

Leader > 90 | Steward > 60 | Patron > 30 | Friend > Other

A payroll deduction gift will reflect your current pay rate. A gift of 30, 60 or 90 minutes is a commitment for any employee. However, gifts of ANY size are appreciated and count toward the employee participation goal.

1. EMPLOYEE INFORMATION

Name _____ Employee # _____

Site & Department _____

Home Address _____

2. GIFT DESIGNATION

- Long Prairie 1028
- Melrose 1031
- Monticello 1323
- Paynesville 1360
