Health Ministries of Central Minnesota & Faith Community Nurse Partnership of Central Minnesota
CentraCare Education & Learning

Faith Community Nursing (FCN) is a specialized practice of professional nursing that focuses on the intentional care of the spirit and promotion of whole-person health. FCNs also help prevent illness within the context of a faith community and the wider community. From 3rd Edition of Faith Community Nursing Scope and Standards of Practice; 2017 ANA & HMA.

Health Ministries of Central Minnesota & the Faith Community Nurse Partnership of Central Minnesota are sponsoring this class. Partnerships such as these began to bring faith community nurses, area churches, and service agencies together over 25 years ago. The goal they set was to promote the well-being of faith community members by increasing the number of faith community nurses in churches who help access health care. Faith Community Nurses are work together with clergy and the church ministry team. “I have come that you may have life and have it to the full.” John 10:1

Contact Hour Information

This education offering has been designed to meet the Minnesota Board of Nursing continuing education requirements for 36.5 contact hours.

CentraCare has been approved as a provider by the State of Minnesota Board of Social Work - CE Provider Approval Number CEP-77. Participants earned 36.5 Social Work Contact Hour(s).

The American Nursing Association recognizes FCN as a sub-specialty in nursing.

It is the personal responsibility of each participant to determine whether this activity meets the requirements for acceptable continuing education by the licensing organization.

To earn contact hours, participant must attend all sessions, complete online self-study work and complete an online evaluation form.
