2019 Central MN Faith Community Nursing (FCN) Ministry Committee Scholarship Application

The Health Ministries of Central Minnesota Committee and Central MN FCN Ministry are offering $250 Scholarships for the Foundations of Faith Community Nursing Class. The goal of the Scholarship program is to increase the number of FCN’s in churches.

Scholarship requests will be process as received, followed by registration. If a scholarship is approved, the St. Cloud Hospital Education Department will be notified and the remaining balance of $200 will be due with registration. Deadline for applications is Oct. 29, 2019.

Conditions of the scholarships include:

1. **Applicants must hold a current Minnesota registered nurse license** and must reside in Central Minnesota within the CentraCare or Diocese of Saint Cloud Systems.

2. **Letter of Intent:** In a brief letter (one page or less) state why you want to be a Faith Community Nurse and what your involvement is in your faith community. (Written report due 6 months after class of implementation/activity).

3. **Letter of support** from your Pastor or a leader in your faith community.

To apply for the Faith Community Nurse Class Scholarship, fill out and submit to contact below.

Name: __________________________________________________________________________________
Address: ________________________________________________________________________________
Telephone: ______________________________________________________________________________
E-mail: _________________________________________________________________________________
Date ___________________________________________________________________________________

Parish contact information:
Parish Name: _____________________________________________________________________________
Pastor/Priest: _____________________________________________________________________________
Address: ________________________________________________________________________________
