**Contact Hour Information**

Participants earn 18.3 contact hours.

The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

**Course Pre-requisite**

**Completion of the ENA Pre-course online modules is required before attending class.**

Information on how to access these modules will be sent to participants, along with their textbook, at least 30 days prior to the course.

**Course Completion**

Students will be tested on the TNP (Trauma Nurse Process). Access will be granted to the electronic exam after receiving a successful score of 70% or greater on TNP. Students have 6 days to complete the open book exam post course completion. Students must score 80% or better on the exam to pass the course with in a 2 hour time frame.

**Course Description****A Systematic Approach of Initial Assessment**

The A – I mnemonic and the Trauma Nursing Assessment will assist nurses in providing appropriate and early intervention.

**Hands-on Training Using both an Individual and Team Approach**

TNCC uses a flipped classroom model. Core concepts are taught via online modules and interactive web-based programs. Classroom time is reserved for hands on skills, problem solving, and building upon core concepts.

**1.5 Day Intensive Course with Expert Instructors**

TNCC is a 1.5-Day Intensive Course that is taught by expert instructors.

**21 Chapter Comprehensive Manual**

The Trauma Nursing Core Course contains evidence-based content developed by trauma experts to reinforce and supplement the lectures and skill stations. It is a compilation of current trauma nursing standards and is a valuable resource for future reference.
