PATIENT FINANCIAL ASSISTANCE

CentraCare Health's Financial Assistance Program was established to assist patients who do not have the ability to pay for services received. If a patient meets the guidelines, the total bill or a portion of the charges may be covered. To be considered for assistance, please fill out the reverse side and return with the requested information.

In order for CentraCare to process your application, please follow the instructions below.

- Use gross income figures including spousal income, if you are married.
- If you have **NO** insurance, you **MUST** apply for medical assistance through MNSURE before you can qualify. You **MUST** also attach a copy of any medical assistance denial with this form or a print screen of your denial from the MNSURE website.
- **Please provide proof of income. If you file taxes, you are required to provide your most recent 1040 Federal Tax Return (include the two pages showing your dependents and adjusted gross income) OR, if you do not file taxes, please provide your last four pay stubs. If you receive Social Security, please include your Social Security award letter. If you receive unemployment, please include your benefit determination letter showing your weekly benefits.**
- Please return the requested information in the envelope provided, or mail to CentraCare Health, 1406 Sixth Ave N, St. Cloud, MN 56303.
- If you qualify, we will notify you by mail within two weeks of receiving your application.

I hereby request that CentraCare Health makes a written determination of my eligibility for patient financial assistance. I understand the information, which I submit concerning my annual income and family size, is subject to verification by CentraCare Health. I also understand if the information which I submit is determined to be false, such a determination will result in a denial. Patient or guarantor will be liable for charges for services provided. The facility will provide financial assistance at no charge or at a specified charge less than the allowable credit for the services. All possible third-party payers must be explored and finalized before financial assistance status is determined. You must reside in the U.S. to be eligible for CentraCare Financial Assistance.
