

SAFETY 2025

ACCELERATE *to* ZERO

Safety 2025 – Better Together: CentraCare is partnering with Press Ganey on a journey of cultural transformation to achieve health care excellence and advance patient care using safety science and principles of high reliability.

This partnership includes CentraCare's participation in Press Ganey's Safety 2025 initiative as the path toward Zero Harm. This work will use the data, analytics and insights drawn from the current patient experience and engagement measurement solutions to inform the current state and make recommendations for improvement.
