

**Jackie M.**

Enhancement Program Volunteer

**I am** a homemaker.

**I am** a mother to 4 boys.

**I am** enjoying being able to give back and doing something with hair again like when I was a Cosmetologist.

**I am** someone who journals daily, belongs to a prayer group and makes cards.

**I am** recommending you volunteer too; it is a constant reminder of gratitude for all you've been given – to brighten someone's day.

**I am a CentraCare volunteer!**
