Volunteer – Card Group,
Health Care Directives,
Nurse Ambassador,
Project HEAL, and
Recovery Coach

I am a retired St. Cloud Hospital RN.

I am a grandmother to 9 grandkids.

I am enjoying helping patients complete their Health Care Directives.

I am staying connected to the hospital where I worked for 20+ years.

I am recommending you volunteer too. I don't consider myself unique; just an ordinary person. Anyone can volunteer!

I am a CentraCare volunteer!
